

Boomer Benefits Expands License to Now Serve 48 States

Growing Medicare insurance agency continues its mission of helping Americans navigate their entry into Medicare by expanding services to Hawaii

Fort Worth, TX – July 22, 2019 – Boomer Benefits is proud to announce they are officially licensed to help seniors in Hawaii with their Medicare needs. People in the state of Hawaii can now use Boomer Benefits to help them enter Medicare and use the Client Service Team throughout the lifetime of their policy.

“Here at Boomer Benefits, we are always challenging ourselves to grow. Our entire team is dedicated to helping as many Americans as we possibly can with the beast that is Medicare. Expanding our services to Hawaii is a great step forward for our agency,” said Danielle Roberts, co-founder at Boomer Benefits.

Residents of Hawaii can now use Boomer Benefits for the following services and offerings:

- Medicare insurance quotes from 30+ carriers
- Part D enrollment
- Claim support via Client Service Team
- Yearly rate shopping and Part D evaluation
- Individual dental, hearing and vision plans
- Free Medicare education (webinar, email series, blog, YouTube)
- Free Medicare Q&A group for the public
- The Boomer Benefits Scholarship

“Our team would routinely get calls from people in Hawaii confused about their Medicare options and wanting our help but disappointed to learn we didn’t service that state,” said Roberts. “We are pleased to now be able to provide Hawaii residents with the same great service we offer to beneficiaries in other states. We help them find the right supplemental coverage for their budget.”
